

Patient Safety for the OB-GYN Hospitalist

Catherine Gratz Griffin Lake Forest Hospital Grand Rounds Presentation

Presented by Nicolai Hinds, MD, FACOG, CPPS

Dr. Hinds is a board-certified OB-GYN physician with over 20 years of experience. After attending medical school at Emory University in Atlanta, he completed his residency training in Obstetrics and Gynecology at Henry Ford Health System in Detroit. Over the course of his more than two-decade-long career, he has cared for women and the unborn in a variety of healthcare settings, including academic medicine, private practice, and a 100-bed hospital in rural northwest Illinois.

**Nicolai Hinds,
MD, FACOG,
CPPS**

Dr. Hinds enjoys teaching and mentoring the next generation of healthcare professionals. This is reflected in his current role as a clinical preceptor at the Chicago Medical School, and his past roles as a clinical assistant professor at Emory University and at University of Illinois Chicago Rockford College of Medicine. When he is not teaching, volunteering overseas, or serving in his church community, he enjoys spending time with his wife of 33 years and his two adult daughters.

After 16 years of generalist OB-GYN medicine, Dr. Hinds now serves as an OB hospitalist at Northwestern Medicine in Chicago. In his role as an OB hospitalist, two of his greatest passions are patient safety and peer education through simulation learning. Dr. Hinds is a Certified Professional in Patient Safety — a designation issued by the Institute for Healthcare Improvement. Over the course of his long career, he estimates that he has delivered approximately 3,300 babies thus far.

Learning Objectives

- Discuss the role of human factors in the scientific discipline of patient safety.
- Describe where the OB-GYN hospitalist fits into the patient safety model.

Accreditation Statement

The Accreditation Council for Continuing Medical Education (ACCME) accredits the Northwestern University Feinberg School of Medicine to provide continuing medical education for physicians.

Credit Designation Statement

The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of *1.0 AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Session

Friday, April 10

7:30 – 8:30 am

How to attend

In person: Hughes Conference Center Rooms B/E

Microsoft Teams
