

Please note: The current Android version of the NM Workforce app is 1.1.7. If you do not have that version installed and do not see the **Update Available** prompt in your NM Workforce app, you will need to go to your **Company Portal** app, sign in, click on the **NM Workforce** app and click **RE-INSTALL**.

Updating the NM Workforce Application

1. Select the NM Workforce app and enter your PIN (Figure 1).
2. If an update is available, you will see a **System Alert** box. Select **UPGRADE** (Figure 2).
3. You will be redirected to the **Company Portal** app. Sign in and click **RE-INSTALL** at the bottom of the screen (Figure 3).
