COVID-19 Order Panel

Impacted Locations	All
Intended Audience	Inpatient Physician and APP

This tip sheet will help Inpatient areas place the appropriate SARS-CoV-2-NAT order. The Order Panel displays a matrix that will help you select the option that fits the patient best.

Placing the COVID-19 Order Panel

1. From the Orders sidebar, type COVID, and press enter.
2. Select the COVID-19 Order Panel, and then Accept.
3. Review the matrix, and select the appropriate panel:

COVID-19 Order Panel ✔ Accept
