

COVID-19 Update

December 18: Clinical Insights Panel Next Tuesday

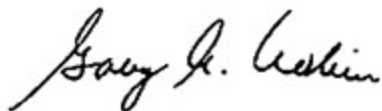

Available to all physicians across Northwestern Medicine, the next Clinical Insights Panel featuring a discussion on COVID-19 vaccines will be from **5 to 6 pm on Tuesday, December 22**. You are encouraged to submit questions prior to the session by emailing covid-19md@nm.org. This session is approved for CME credit.

Physician panel experts and topics for discussion will include:

- Pfizer and Moderna COVID-19 vaccines approved for emergency use authorization with Michael Ison, MD, professor of Medicine in the Division of Infectious Diseases and professor of Surgery in the Division of Transplant Surgery
- Pregnancy and the COVID-19 vaccines with Emily Miller, MD, MPH, assistant professor of Obstetrics and Gynecology, and Psychiatry and Behavioral Sciences
- Allergic reactions and the COVID-19 vaccines with Anju Tripathi Peters, MD, professor in the Department of Medicine and Otolaryngology Health & Neck Surgery, and Director of Clinical Research in the Division of Allergy-Immunology.

To participate, **join the Microsoft Teams Live Event** when it's time. To claim CME credit in Northwestern University Feinberg School of Medicine Cloud CME, text the activity code provided during the session to 312.957.8301.

Thank you to all NM physicians and clinicians for your ongoing commitment, collaboration and leadership in providing exceptional *Patients First* care.

Gary A. Noskin, MD
