COVID Vaccination Reminders

- You will be required to show your Northwestern Medicine ID Badge in order to receive the COVID-19 vaccine.
- Only those individuals who have their vaccination information uploaded into their NM employee health record and have completed the Pfizer series will be able to get their vaccine through the NM employee clinics at this time.
- Individuals interested in receiving a COVID-19 booster vaccine need to meet the following criteria:
 - 65 years or older
 - 50-64 years with an underlying medical condition
 - 18-49 years with an underlying medical condition
 - 18-64 years of age and at an increased risk of COVID-19 exposure and transmission due to their work environment, based on individual benefit and risk
- Remember to wear appropriate clothing for vaccine administration. The clinician will need to administer the vaccine three fingerbreadths below the top of your shoulder. Privacy screens will **NOT** be available at the vaccination stations.
- The vaccination schedule is subject to change, check back on NMi for the most up to date schedule
