

1. Open the App Store and search for **Intune Company Portal** application.
2. **Install** Intune Company Portal.
3. **Open** Intune Company Portal.

4. In Company Portal, select Sign In.
5. You will see the Microsoft Intune screen (see below). Sign in with either your email address or NM username: email@nm.org or nmusername@nm.org (nm_@nm.org).

6. **Enter Code**—after signing in, a 6-digit code will be sent to your mobile or Microsoft Authenticator app in order to properly verify access.

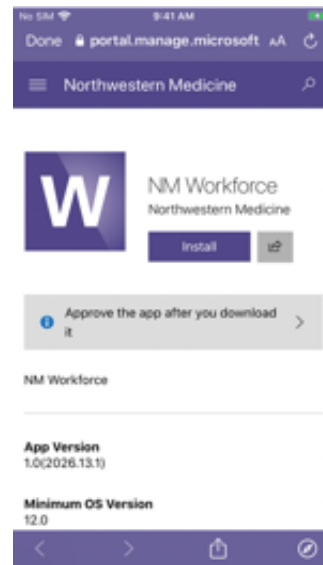

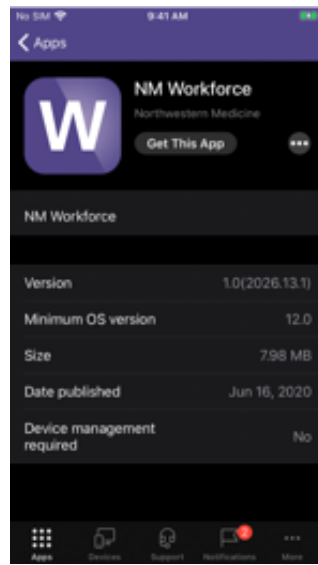

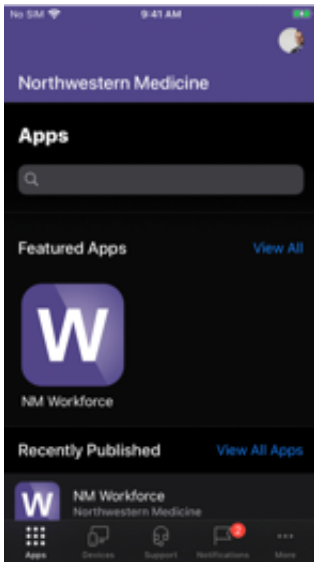

Already have Microsoft Authenticator installed?
Select **Get Codes** in the upper right

7. Enter your 6-digit code.
