

# View and Manage Your Schedule

QGenda is Northwestern Medicine's enterprise on-call and scheduling application that enables physicians and APPs to view on-call schedules on mobile devices or web browser. QGenda is integrated with Vocera Collaboration Suite, NM's clinical communications application, to enable clinicians and staff to view on-call schedules in both applications.

# 1. Download the QGenda mobile app for <u>iOS</u> and <u>Android.</u>

## 2. Create an account and log-in

- a. Visit **QGenda.com**.
- b. Click on the "Customer Access" button in the top right-hand corner.

- c. Log-in
  - If you are an employed physician or APRN and have an nm.org email: Click Single Sign-On and enter your nm.org email and NM credentials.

- 5. **Swap schedules:** The swap function enables you to easily swap schedules with another provider. Give away, pick up or trade shifts by selecting 1-Way or 2-Way swaps.
  - Once a swap is submitted by the first provider, the other provider(s) involved will receive an email notification from QGenda asking them to login and approve or deny the swap. Please note, you need to login at least once to receive an email.
  - Once they approve the swap, the change will automatically appear on all versions of the oncall schedule.
