

Neurocritical Care: The Maturation of a New Field, From Physiology to Practice

Northwestern Medicine Palos Hospital
St. George Foundation Continuing Education Series

Presented by Edward M. Manno, MD, MS, FANA, FAAN, FAHA, FCCM, FNCS

Dr. Manno is a professor of Neurology and Neurosurgery at the Northwestern University Feinberg School of Medicine. He is the former vice chair of Clinical Affairs for the Ken and Ruth Davee Department of Neurology and past president of the Neurocritical Care Society. He has been the medical director of the neurocritical care units at the Mayo and Cleveland Clinics and Northwestern Medicine. He is currently the chair of Medicine and medical director of Neurology at Northwestern Medicine Palos Hospital.

Edward M. Manno,
MD, MS, FANA,
FAAN, FAHA,
FCCM, FNCS

Learning Objectives

- Describe the field of neurocritical care and the disease processes it encompasses.
- Explain how knowledge of physiological processes in the field has evolved over the past few decades.
- Describe how this new understanding has affected the practice of neurocritical care.

Accreditation Statement

The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement

The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of *1.0 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Thursday, October 24

7:30 – 8:30 am

How to attend

In person

Join us in the Palos Auditorium or the St. George Cancer Institute Auditorium in Orland Park. A light breakfast will be provided at both locations.

Virtually on Teams
